Upper Moreland Township
Montgomery County, Pennsylvania

TOWNSHIP AWARDED 2018 STORM WATER MANAGEMENT GRANT

Upper Moreland Township has received a $195,000 grant from the 2018 Montgomery County 2040 Implementation Program for the construction of the Fair Oaks Park Bio-Infiltration Basin.

The grant, aimed at implementing the County’s comprehensive plan, Montco 2040: A Shared Vision, is one of fourteen recently awarded by the Montgomery County Commissioners. Upper Moreland Township will install a bio-infiltration basin within the Pennypack Creek Watershed at the location of Fair Oaks Park. Upper Moreland received the second-largest grant provided during this year’s round of applications, and this marks the second time in three years that the Township has successfully tapped funding from this new County initiative. In 2017, Upper Moreland was also chosen to receive the first-ever Environmental Stewardship Award by the Montgomery County Planning Commission.

The basin will capture and retain storm water runoff from a 47-acre drainage area known for severe flooding and documented impacts to the water quality of the Pennypack Creek.

This grant is in addition to a $200,000 grant from the PA Department of Community & Economic Development already given to the Township, and this project was assigned high priority in the Township’s Storm Water Management Improvement Implementation Plan. The project’s objective is to mitigate flooding and storm water issues that affect residents both in the vicinity of Fair Oaks Park and downstream.

TOWNSHIP AWARDED 2018 MASTER TRAIL AND GREENWAY STUDY GRANT

Upper Moreland Township, in partnership with Hatboro Borough, was awarded a $72,000 grant under the Transportation and Community Development Initiative (TCDI) of the Delaware Valley Regional Planning Commission for a Master Trail and Greenway Study in Upper Moreland and Hatboro. The grant will identify possible trail locations within parks, connecting parks via trails, connections to other transportation hubs, spur connections through neighborhoods to connect to other locations throughout the Township and Borough, and connections to neighboring community trail systems that currently terminate at our boundaries.

As part of our Parks and Recreation 10-year Comprehensive plan, resident input was solicited through the use of a mail survey with over 2,000 responses from residents and 200 direct phone calls to random residences. Survey results show 85% of residents engage in trail activities. Currently, Upper Moreland offers many loop trails within our parks with no connections to other areas. This plan will identify connections as noted above.

The goal of the Master Trail and Greenway Plan is to provide residents opportunities to walk, jog, or cycle to our park system, to transportation hubs, throughout the Township and Borough, and to neighboring community trails, thus decreasing the need for vehicular traffic on our roadways. Look for additional information coming out later this fall concerning public participation opportunities.

We welcome this opportunity to enhance our trail system to better serve our residents.

LOCAL CABLE CHANNELS

Upper Moreland Television, UMTV, began broadcasting in 2007. This public access channel is dedicated to providing residents with the news and information related to Upper Moreland Township government services and events. It is also used to publicize community events and to provide public service and emergency announcements.

In January, 2008, UMTV began broadcasting all meetings of the Board of Commissioners on Wednesdays, Thursdays, and Saturdays at 10:00 AM and 7:30 PM. UMTV is available to subscribers of Comcast Cable on channel 965. In order to receive channel 965, you must have a digital cable box. If you do not currently receive digital cable service, you may arrange for it by contacting Comcast directly at 1-800-COMCAST. UMTV can also be found on the Verizon FIOS channel line-up and is available to Verizon FIOS subscribers on channel 41.

REAL ESTATE TAX OFFICE

Your 2018 School Real Estate Tax Bill will be mailed in July 2018. If you have not received it by mid-July, please call our office at 267-607-1046 or 267-607-1047. Take some time to read the instructions on the bottom of the bill, as they do provide some useful information and may answer your questions.

If you have moved and need to have your mailing address changed, we must have a written request to do so. Be sure to include the reason you need the address changed and a contact number where you can be reached.

Your bill includes two copies. We need one copy to post your payment, and the second copy is for your records. If you would like a receipt, please present the entire bill. For those of you who wish to pay by mail and would like a receipt, enclose the entire bill and a stamped, self-addressed envelope. We will mark one copy as your paid receipt and return it to you.

The Real Estate Tax office is located on the first floor of the Township Building at 117 Park Avenue. Our office hours are 8:30 to 12:00 and 12:30 to 4:00, Monday through Friday. Please note that we close from 12-12:30 p.m. for lunch.

Thanks! The township would like to thank the businesses that appear in this newsletter and recognizes each of them as contributors to our community. Thanks to their advertising support, this newsletter has been produced at no charge to our residents.

Construction Permits: Building codes allow us to rely on the safety of the structures around us in our everyday living. The requirement of construction permits allows local code officials to administer the provisions of the code to ensure proper construction. If you are planning any kind of home remodeling project or thinking of retaining a contractor to do work for you, please keep these regulations in mind. Construction Permits are needed for all repairs, additions, and alterations to properties. This includes work done to roofs, siding, windows, fences, shed, both above and in-ground pools, driveways, driveway aprons, and curbs, as well as interior projects in kitchens, bathrooms, and garages. Permits are not required for replacing gutters or windows of the same size unless a structural alteration is made. Permits are not required for painting, tree removal, or pruning. If you are unsure if a permit is required, please take the time to call the Code Enforcement Department at 215-659-3100 for assistance before beginning work. Permits will only be issued once they have been reviewed for compliance with all local and applicable state regulations. Fines can be issued for work begun prior to the issuance of the permits required. Permits are also needed for work on heating, air conditioning, and electrical systems (including electrical connections to swimming pools and ornamental ponds). A registered master plumber must do all plumbing projects, and the plumber must apply directly for the permits required.

Registration of Contractors is required according to the Home Improvement Consumer Protection Act of July 2009. All contractors performing home remodeling projects are required to be registered with the Pa. Attorney General’s Office. A copy of state license and insurance certificate shall be submitted to UMT. Commercial contractors, new home builders, and master plumbers must still be licensed with Upper Moreland Township. Please contact the Upper Moreland Township Department of Code Enforcement for information on contractors. For additional information on the Act and to see if your contractor is registered with the state, please visit the Attorney General’s website at www.attorneygeneral.gov.

Property Maintenance regulations require that all properties and structures be kept in good repair and maintained in a clean, safe, and sanitary condition. Please trim grass and weeds regularly and remember that growth in excess of twelve inches is prohibited. Trash and debris may not be stored on properties at any time. It is also important to make sure that shrubs and trees located near streets do not obscure road signs from the view of motorists or pedestrians. Please prune landscaping to ensure that signs are clearly visible from a distance. Gutters and downspouts should be checked to ensure they are free of debris and properly secured. Please contact a professional contractor specializing in this field. Storm windows, weather stripping, and exterior doors should be properly sealed to prevent unwanted drafts and heat loss. Please visit the U.S. Dept. of Energy’s website for more information (www.energy.gov).

Home Occupations residents may operate a business or office from their property, subject to certain restrictions. However, only people living in the dwelling may operate the business or office. No outside storage of material related to the home occupation is permitted. If you are interested in running a business or office from your home, please contact the Code Enforcement Department first, to ensure your plans are in keeping the Township’s guidelines and to obtain the required annual use registration permit. Residences used for in-home day care must meet all Township regulations, including a maximum of six children (four infants) at any one time, and be inspected annually by the Code Enforcement Officer and Fire Marshal. All day care providers must reside in the dwelling. All home occupations, proprietorships, partnerships, corporations, limited liability companies and other entities operating in the Township must also register with the Township’s Business Tax Office before beginning operations.

Swimming Pools capable of holding in excess of 24 inches of water require a permit from the Code Enforcement Department. All filter and circulation equipment must be wired in accordance with the 2008 National Electric Code (N.E.C.). All swimming pools requiring a permit must also have a permanent barrier surrounding the pool which is at least four feet high with a self-closing, self-latching gate. Requirement hand-outs are available at the Code Enforcement Office.

Swimming Pool Drainage should be discharged into the sanitary sewer system. Water may be drained into the storm water system if it has first been de-chlorinated. Township regulations prohibit directing water discharge from swimming pools onto the property of another person without their consent.

Public Nuisances (noise, etc.) the Township often receives complaints from residents concerning inoperable vehicles, excessive noise, and construction work taking place before 7:00 a.m. and after 10:00 p.m. Residents are reminded that all vehicles must be operable and have current registration and valid inspection sticker unless stored in a completely enclosed building or garage (car covers are not compliant). These are but a few examples of “public nuisance” actions that interfere with the repose, health, safety, or life of others. Upper Moreland has adopted regulations prohibiting nuisances such as these that affect our residents’ quality of life.

Portable Storage Units: The Board of Commissioners adopted regulations for portable storage units, dumpsters, and construction trailers placed on any parcel. In addition to the permit requirement, there is a limit on the number of units and time for which they can be placed on the...
HOUSEHOLD TRASH COLLECTION

Regular household trash is collected once each week. Please call the Public Works Department at 215-659-4070, Monday through Friday, between 6:30 a.m. and 2:00 p.m. if you are unsure of your pickup day. Trash containers should be placed at the curb by 6:30 a.m. on your collection day, but not more than 12 hours beforehand. Empty cans must be removed within 12 hours of collection. All trashcans must be covered, weigh less than 50 pounds when full, and be no larger than 50 gallons in capacity. Lids must completely detach, not just pivot open. These regulations are in place to protect service personnel from injury and thereby make the best use of tax dollars.

If your trash and/or recycling collection is cancelled due to inclement weather, please call the Public Works Department at 215-659-4070 or log onto the Township website (www.uppermoreland.org) to find out when your next pickup will occur.

CHANGES TO 2018 TRASH AND RECYCLING SCHEDULE

Regularly Scheduled Pickup
- Thursday, November 22
- Tuesday, December 25
- Tuesday, January 1
- Friday, April 19

Rescheduled Pickup
- Monday, November 26
- Monday, December 24
- Monday, December 31
- Monday, April 22

ELECTRONICS DISPOSAL:

Electronics are part of the recycling program. A permit is required for the disposal of household electronics. “Electronics” include, but are not limited to, TVs up to 50”, stereos, VCR’s, DVD players, computers, keyboards, monitors, and microwaves. Permits can be obtained from the receptionist’s office at the Township Building, 8:30 a.m.-4:30 p.m., Monday - Friday. Permit fees range from $1.00 to $20.00. Please note: Televisions over 50” are the owner’s responsibility. Once a permit is obtained, if the item(s) have “disappeared” from in front of your home before 6:00 a.m. on the scheduled pickup date, call the Public Works Department at 215-659-4070 to cancel the pickup. If the pickup is cancelled by 6:30 a.m., the permit fee will be refunded in full.
BRUSH and BRANCHES
In addition to bagged yard waste, brush and branches are also picked up each Monday. Brush and branches should be tied into bundles with manila rope or jute twine. Bundles should weigh less than 50 lbs. and be up to four feet in length and two feet in width. No more than 6 bundles should be placed curbside for pickup on each collection day.

LEAVES RAKED TO THE CURB
Leaf vacuum machines will collect leaves raked to the curb on, or shortly after, the dates listed on the vacuum leaf map for each area of the Township. The Township map, found in this Newsletter, shows each collection by area. Please DO NOT rake leaves into the street and DO

NEW: ALL recyclables (with the exception of yard waste) may now be mixed together if placed in a container that has no larger than a 50 gallon capacity and does not weigh more than 50 lbs. when full. This includes glass, bottles, plastics numbered 1-7, tin and aluminum cans, AND also paper products.

Glass, Can, and Plastic Recycling: Unbroken glass bottles, clean aluminum and tin cans and #’s 1 thru 7 plastics, newspapers, computer paper, brown bags, magazines, junk mail, office paper, phone books, paperback cartons or boxes (not wax lined), including those from beverages and six packs and those used to hold pizza or other fast food items may be mixed together and placed curbside in a single container weighing no more than 50 pounds and having no larger than 50-gallon capacity. Containers must be clearly marked “RECYCLING,” must have holes drilled in the bottom for drainage, and may not contain lids. No trash, cigarettes, or food/drink residue should be in bottles. No plate glass, light bulbs, mirrors, or broken glass is included in recycling (put in regular trash). Cans which contained paint, fuel, aerosol spray, oil or other hazardous materials cannot be collected. Recycling containers must not exceed 50 pounds when full.

EXCLUDED: Styrofoam (includes egg cartons, clamshell containers, plates, cups, meat trays, and packing peanuts), plastic films or bags, PVC pipes, CD/DVDs, coffee cup lids, straws, plastic cutlery, plastic 6-pack rings, waxed paper, waxed cardboard, coat hangers.

Please do not use cardboard boxes to dispose of any type of trash. These containers should be flattened and placed curbside for collection with other recyclables. Do not use plastic bags to cover your recycling, even during inclement weather.

YARD/BULK/MISCELLANEOUS COLLECTION
DISPOSAL OF YARD WASTE
With the exception of scheduling changes due to holidays, bagged leaves, grass clippings, and other yard waste will be collected each Monday. Only brown, 30-gallon biodegradable yard waste bags will be accepted. Bags should weigh less than 50 pounds and be placed at the curb by 6:30 am, but not more than 12 hours beforehand. The Public Works Department will not accept bags that contain dirt, edgings, wood chips, mulch, stump grindings, rocks, or household trash, as these items can cause damage to our recycling equipment and composting program. There is no limit to the number of bags that may be placed curbside for collection.

CHANGES TO 2018 YARD WASTE COLLECTION
Due to holiday scheduling changes, there will be NO bagged yard waste collections on the following Mondays in 2018/19:
- September 3
- November 12
- December 31
- January 21
- November 26
- February 18
- December 24
- April 22

BRUSH and BRANCHES
In addition to bagged yard waste, brush and branches are also picked up each Monday. Brush and branches should be tied into bundles with manila rope or jute twine. Bundles should weigh less than 50 lbs. and be up to four feet in length and two feet in width. No more than 6 bundles should be placed curbside for pickup on each collection day.

LEAVES RAKED TO THE CURB
Leaf vacuum machines will collect leaves raked to the curb on, or shortly after, the dates listed on the vacuum leaf map for each area of the Township. The Township map, found in this Newsletter, shows each collection by area. Please DO NOT rake leaves into the street and DO

DISPOSAL OF CARPETING
Rugs and padding will be picked up on your regular trash day. Rugs and padding must be cut to 4-foot widths, then rolled and tied securely. Each section should weigh less than 20 pounds (limit 1 room per pickup).
SAFE DISPOSAL OF HOUSEHOLD SHARPS
Place sharp household objects in a rigid, strong plastic or metal container with a screw-on or tightly secured cap, such as a laundry detergent bottle; or use a purchased Sharps Container. Reinforce the cap with heavy-duty tape. Mark clearly and noticeably on the outside of the container “Do Not Recycle” and “Household Sharps.” Sharps include medical needles, knitting needles, and knives, among other items.

DISPOSAL OF HOUSEHOLD PAINT
Latex-based paint will be accepted in your regular trash. Paint must be dried and the lid must be removed. Place paint cans next to your trash cans. Oil-based paints must be taken to a Montgomery County Household Hazardous Waste Collection site. For more information on the MONTCO Hazardous Waste Collection, call 610-278-3618.

ARE YOU MOVING?
To better serve The Township, the Public Works Department requests that residents who are moving, and have a large volume of trash, spread it out over a period of time. Please try to get rid of all trash prior to your settlement date. Please call the Public Works Department at 215-659-4070 if you are unsure about what items can be placed curbside.

BULK ITEMS
The Public Works Department assists residents by providing a special service to remove metal items such as appliances, grills, lawn mowers, exercise equipment, etc. A pickup for these items can be scheduled by obtaining a bulk pickup permit from the receptionist’s office at the Township Building. The minimum fee for a bulk pickup permit is $15.00; the final cost will depend on the type, size, and number of items to be picked up. Please call the Public Works Department at 215-659-4070 if you are unsure if an item requires a permit. Please remember that once a permit is issued, a collection date is scheduled. If you find that the item(s) have “disappeared” from in front of your home before 6:00 am on the scheduled pick up date, please call the Public Works Department by 6:30 am to cancel the collection. If the pickup is cancelled by 6:30 am, the permit fee will be refunded in full.

CHRISTMAS TREES
Christmas trees up to eight feet in height may be placed at the curb for collection on Mondays in January and February. Trees will not be collected on Monday, December 24, Monday, December 31, Monday, January 21, and Monday, February 18 due to holiday scheduling changes.

FREE COMPOST AVAILABLE!!!!
Recycling yard waste collected in Upper Moreland Township creates compost for gardens and plantings. Compost is provided at no cost. Please bring your own containers and take as much as you like.

SNOW PLOWING/SNOW REMOVAL INFORMATION:
The Township’s Public Works Department is responsible for plowing and salting the roads in Upper Moreland Township. Salting and cindering begins on primary highways as soon as snow or freezing rain starts to fall. Plowing begins after 3-4 inches of snow accumulation. After primary routes are clear, plows/salt trucks proceed to dedicated secondary routes. Wherever possible, please move your vehicles out of the street and onto private driveways so that plowing and salting operations can be done safely and efficiently. If you cannot move your vehicles to off-street parking spots, please follow the following guidelines to help ensure that plowing and salting covers as much of your street as possible. Unless your street permits parking on one side only, park vehicles on the “even” and “odd” numbered side of the street depending on the year. For example, in 2018 park cars on the EVEN numbered side; and in 2019, park cars on the ODD numbered side.

To avoid having to shovel out your driveway more than once after a storm, follow these tips:
• Wait until after your street has been plowed to shovel the end of your driveway closest to the street.
• When clearing the entrance to your driveway, shovel snow into a pile to the right of the driveway when facing the street and create a small, clear pocket to the left of the driveway for crews to leave snow during plowing.
• Sidewalks must be cleared within 48 hours after the snow, sleet or freezing rain has stopped falling.

It is unlawful to shovel, plow or deposit snow or ice from any driveway, sidewalk, or parking area onto any public street or sidewalk, per Township Ordinance 1569, Article 290-3.

If a snow emergency is declared, all vehicles must be removed from snow emergency routes until the emergency is lifted. Snow Emergencies are announced on Comcast Channel 965, Verizon Channel 41, and the Township web site: www.uppermoreland.org. Streets signs are posted on those roads designated as snow emergency routes. When a snow emergency is declared, it is done with your safety in mind. In order to make sure emergency vehicles can reach people in need, the snow emergency routes must be cleared of parked cars, and vehicles on the roadways need snow tires or chains. In order to prevent the need for people to walk in the street, sidewalks need to be shoveled quickly.

POTHOLE REPORTING

MAP FOR LOCATION OF EACH AREA

Please do not rake leaves into the street and do not blow or rake sticks, branches, rocks, or stones into the piles of leaves to be vacuumed by the Township’s machines so that collection equipment is not damaged.

Please remove vehicles from the vicinity of the piles until your street has been vacuumed. The Public Works Department will make every effort to stay on schedule.

If you are unsure of your collection area or have any questions concerning the schedule, please call Public Works for assistance at (215) 693-4070, Monday through Friday, between 7:00 a.m. and 2:00 p.m.

WEE KARATE - AM & PM Option
Ses#1: 5 classes, Mondays, Sept. 17 – Oct. 15
Time: 9:15am – 10:00am
Ses#2: 5 classes, Mondays, Oct. 29 – Nov. 26
Time: 5:15pm – 6:00pm
Ages: 3-5 yrs. (caregiver must attend)
Fee: $45 R / $67 NR
Kick off your shoes and get ready to learn some karate techniques alongside your child. A new technique is introduced every week. Kids love our martial arts class because we blend fun activities and games, and still dedicate pure focus time to learn new techniques while perfecting the old ones.

WEE MAKE MUSIC
Ses#1: 5 classes, Tuesdays, Sept. 18 – Oct. 16
Time: 9:15am – 10:00am
Ages: 2-5 yrs. (caregiver must attend)
Fee: $45 R / $67 NR
Youngsters enjoy a wonderful immersion in music through singing, playing, dancing, movement, literacy, and listening. Sing simple songs, engage in rhythmic finger plays, move to the music, play musical instruments, and explore and hear full-sized instruments. Our goal is to develop a love and interest for music!

WEE MAKE A MESS
Ses#1: 5 classes, Tuesdays, Sept. 18 – Oct. 16
Ses#2: 5 classes, Tuesdays, Oct. 30 – Dec. 4 (omit 11/6)
Time: 10:15am – 11:00am
Ages: 2-5 yrs. (caregiver must attend)
Fee: $45 R / $67 NR
We provide the place, instruction, supplies, and we even provide the clean-up. Dive into this untidy agenda of shaving cream, sparkles, finger paints, slime, and whatever else we can come up with. Wear old clothes/shoes, as we will be making a mess!

WEE KICK SOCCER
5 Wednesdays, Sept. 12 – Oct. 17 (omit 9/19)
Time: 4:00pm – 4:45pm
Ages: 3 and 4 yrs. (caregiver must attend)
Site: Pileggi Park Soccer Field 1
Fee: $45 R / $67 NR
Coach Lisa and her assistants introduce your children to soccer “fun”amentals and provide interaction in a team-like setting. Bring water, cleats/sneakers, and shin guards, and dress for the weather.

WEE DRAMA
Ses#1: 5 Wednesdays, Sept. 26 – Oct. 24
Ses#2: 5 Wednesdays, Nov. 7 – Dec. 5
Time: 10:00am – 10:45am
Ages: 3-5 yrs. (caregiver must attend)
Site: Pileggi Park Soccer Clubhouse
Fee: $45 R / $67 NR
Do you have a future star who loves to dance, sing, and use imagination? This is the class for them! This class combines the basics of acting, dancing, and singing through creativity and wonder. We conclude with a short performance, allowing your star to see how brightly they can shine!

WEE HIT T-BALL
5 Thursdays, Sept. 20 – Oct. 18 (Rain date 10/25)
Time: 4:00pm – 4:45pm
Ages: 3-4 yrs. (caregiver must attend)
Site: Masons Mill Park
Fee: $45 R / $67 NR
Players learn the basics of throwing, catching, fielding, batting, and base running; then apply what they have learned in fun, non-competitive games. Everyone plays the field and everyone is given the chance to hit the ball off the tee and run the bases.

Basketball hoops will be adjusted for age levels. Come out to the Upper Moreland Middle School Gym on Friday, November 16, to test your skills. You may leave with a turkey!!! Contest runs from 7:00pm – 8:30pm. Mark your calendars now!!!

CALLS FROM SANTA

As you know, Santa is very busy at this time of the year, and, at times, cannot take all the phone calls from the many youngsters. We made arrangements with the North Pole for Santa to call your youngster, aged 2-8. Parents are asked to call the Department between Dec. 3 and Dec. 11, 8:30am-4:30pm, and provide some simple information. Santa will return a call to your youngster on Wednesday, December 12 between 6-8pm. Send emails to recreation@uppermoreland.org or fax to 215-659-8899.

HOLIDAY ORNAMENT & GREETING CARD CONTEST

Upper Moreland resident youngsters may create their own greeting card or ornament no larger than 8½ x 11”. Drop it off or mail it to the Parks and Recreation office December 3 through December 12 for display. Everyone will be awarded a special prize and certificate. All entries must include child’s name, address, phone number, and age. We will have an awards party on Thursday, December 13, at 3:45pm. A “special guest” may even fly in from the North Pole to present the awards!

The Parks and Recreation Department offers the following adult leagues:

Men’s Slow Pitch Softball,
Coed Slow Pitch Softball, and Coed Kickball.
Call 215-659-3100 x1039 or visit www.uppermorelandrec.com.

PICNICS AT MASON’S MILL PARK

Masons Mill Park plays host to numerous events and picnics each year. Park pavilions may be reserved for church groups, family outings, parties, weddings, or company picnics. Though park facilities are available if not reserved, it is in your best interest to call and reserve a picnic pavilion. Three pavilions are available for rental. It is not unusual for all pavilions to be completely booked on all weekends by the beginning of May.

SAFETY TOWN: “A Kids’ Big-wheel Village”

Safety Town is a “child-sized” village at Masons Mill Park designed to teach preschoolers traffic safety using “big-wheels” and tricycles. The town opened in 1978 with the support of the Kiwanis Club of Old York Road, U.M. Police Dept., and local businesses. It is available for individual use at no cost during posted times and when not rented. For the safety of all users, bicycles, roller blades, skateboards, roller skates, and scooters are not permitted in Safety Town. Youngsters may not climb on the buildings, light fixtures, or fencing in and around Safety Town.

The three picnic pavilions and Safety Town may be reserved by RESIDENT groups beginning the first business day in January. NON-RESIDENT groups may make reservations beginning the first business day in March. For information concerning the reservation procedure, please call the Parks and Recreation Dept., 215-659-3100 x 1039. Pets, smoking, and alcoholic beverages are prohibited.

UPPER MORELAND TOWNSHIP POLICE DEPARTMENT

Mission Statement

The mission of the Upper Moreland Police Department is the constant pursuit of excellence in policing by establishing partnerships with the community and others. To be proactive in our policing, and in protecting the safety and property of those we serve, as we fight crime and the fear of crime, and enforce the law while safeguarding the constitutional rights of all people. Our goal is to enhance the quality of life for all those in Upper Moreland Township by working every day to achieve this mission, maintaining a highly trained and professional police department that is staffed by employees who are committed to achieving this mission.

Vision Statement & Values

The Vision of the Upper Moreland Police is to establish and maintain a safe community by employing the best possible police services and resources with compassion, integrity, and pride. The Upper Moreland Police will accomplish this level of service through the superior and continuous training and education of its officers on the most current and modern equipment and technology available to law enforcement agencies, and by implementation and adherence to the agency’s core values: Integrity, Courage, Compassion, Commitment, Honor, Pride, and Service.

Do Not Become a Victim

The Upper Moreland Police Department continues to respond to reports of thefts from vehicles. Most are crimes of opportunity. In the majority of cases, the victims had left their vehicles unlocked. Valuables, such as purses and computers, have been left visible in the vehicles. Please take the time to remove your valuables from the car, and most importantly, lock your vehicle, even if it parked in your driveway.

The Upper Moreland Police Department is also responding to reports of fraud. In many cases, callers pose as agents for the IRS and demand payment while threatening arrest. Please do not fall prey to these scams. The IRS does not contact citizens via telephone. There are countless scams targeting people in which the victim is sent a check to deposit then requested to purchase gift cards with a total value less than the check they received. The victims are promised merchandise or the ability to keep the difference. Unfortunately, it is not discovered that the checks they were sent and deposited were fraudulent until after the gift card information has been passed along to the criminal. For more information on scams, how to avoid becoming a victim, and how to receive alerts, please visit the Federal Trade Commission website at ftc.gov/scams.

The Willow Grove Post Office – 1811
By Joe Thomas

In November of 1700, the first pioneer post office was established in colonial Pennsylvania by an act of the British Parliament. By 1789, there were nearly 100 known towns and villages in Pennsylvania, most of which had started as trading centers or military posts on the frontier.

Also in 1789, Congress established a postal system in the United States and began making arrangements for the transportation of the mails. Stage coach taverns and inns were both official and unofficial post offices throughout most of the 18th century. Unlike small post offices where profits were minimal, post offices in taverns and inns also promoted the interests of the tavern keepers. Unfortunately, the mails, left in a pile to be sorted through by potential recipients, were often opened by curiosity seekers; and newspapers were frequently carried away by travelers to whom the paper was not addressed.

The first post office in Willow Grove was located in the Red Lion Inn (where the Willow Inn stands today) in 1811, with Israel Michener as the first postmaster. The post office made the following location changes over the years:

1897: A general store at the corner of Easton Road and Park Avenue.
1900: The Mineral Springs Inn on York Road.
1916: The Rush Building on Davisville Road. This location was convenient to the train station, with the mails being transferred easily by pushcart to the post office. Approximately 350 post office boxes served the community at that time, as there was no mail delivery service.
1920: The right-hand section of a double house at 71 Old York Road. This house was built in 1805 and has recently been demolished.
1951: 31 Easton Road (toward the Moreland Road intersection).
1962: At the present location, 611 N. Easton Road.

The present post office is the first to be specifically built in Willow Grove for that use, is 6,000 square feet larger than the previous location, and includes the most up-to-date means of moving the mails for the more than 25,000 residents of the community.

Upcoming Monthly Public Programs

Upper Moreland Historical Commission

New Website!

Friends of Boileau is happy to be representing a historic property on the trolley tour.

Visit our new website www.friendsofboileau.org for more information!
The Upper Moreland Historical Commission continues its mission under the leadership of Michelle Young. We currently have fourteen members. If you have an interest in Upper Moreland’s history and/or the yearning to learn more, please consider joining us by submitting your resume to our township manager, David Dodies.

At present, the members of the Commission are reviewing the status of houses recommended by the Upper Moreland Historical Association. As houses are added, the owners receive a beautiful custom-made ceramic plaque to display on/in their homes. Membership in the inventory is open to any home that is greater than 100 years old, has historic significance, and/or plays an important role architecturally.

The Historical Identification Card or (HIC) was introduced at one of our annual historical events. With this card, inventory members can obtain discounted historical products and services from featured merchants.

This past year, we began the task of identifying the historical sites in downtown Willow Grove. Our banner project is continuing to grow along Easton and York Roads.

**Annual Historical Event**

To increase the appeal and attendance of our annual event, we have been trying to mix it up a bit. Coming on the tails of last year’s sold-out success, we are planning a trolley tour, reminiscent of the Tricentennial event. Our events are ALWAYS open to the public and you are welcome to attend. The event will take place on September 23, beginning at the Boileau Farmstead at Byberry and Orangemans Road. It will run from 1-5, with the first trolley tour beginning at 1:30. Tickets should be purchased in advance online. Further information will be available at our website at: www.uppermorelandhistory.org. Hope to see you there!

**Mission Statement**

The Historical Commission is charged with the responsibility to promote, protect, and facilitate the preservation of buildings, structures, sites, objects, and districts of historic significance and value that exist in the Township. Preservation of these resources is in the best interest of the prosperity and welfare of the people of Upper Moreland by enhancing property values, improving aesthetics of the built and natural environment, and creating the potential for heritage tourism.

**General Responsibility of the Commission**

The Upper Moreland Historical Commission has the general responsibility of promoting historic preservation in the Township by performing any or all of the following:

- Publishing printed material related to historic preservation.
- Adding historic preservation-related material to the Township website.
- Holding events to promote and educate Township residents about historic preservation.
- Educating historic resource owners about grants, tax incentives, and the benefits of protection provided by state and federal government historic preservation programs and laws.
- Educating historic resource owners about the potential benefits of having a resource listed on the Upper Moreland Historic Resources Inventory including honorary designation, improved development opportunities, and protection.
- Advising the Board of Commissioners concerning acquiring, restoring, preserving, reconstructing, or rehabilitating historic resources in the Township.

UPPER MORELAND ENVIRONMENTAL ADVISORY COUNCIL (E.A.C.)

Due to the constant spring rains, the EAC labeling of storm drains was moved to July. The storm drain labels are to remind people that nothing should be put down storm drains, as these run into the nearest stream. Grass clippings, used motor oil, antifreeze, or any other substance should never be disposed of down a storm drain.

The EAC and Upper Moreland Free Public Library have completed the first two learning stations of the Outdoor Environmental Education Center that they are developing. Look for the rain barrel station near the back of the township building, and the drainage swale behind the library.

Did you know that Upper Moreland is an Audubon Bird Town? This means that everyone is encouraged to create habitat for birds on their property by planting native plants such as cone flowers, goldenrods, beebalm, serviceberry, and many others. Look online to https://www.audubon.org/native-plants, and enter your zip code to see a list of trees, shrubs, and flowers that will help birds survive in your yard. It is important to support birds since they pollinate many plants, eat millions of annoying insects, and are food for other animals in our ecosystems. Birds are also beautiful and fun to watch.

WHAT IS STORM WATER RUNOFF?

One of the most significant, yet unrecognized, groups of water contaminants is storm water pollutants. When it rains, storm water runs over yards, streets, roads, highways, parking lots, parks, and playgrounds, carrying with it everything in its path, including debris and pollutants. Eventually, the water will travel to a stream, either over land or via a storm drain. Storm drains are frequently located alongside streets and parking lots. Unlike sanitary sewers that divert water to a treatment plant from your home, storm drains lead directly to surrounding lakes and rivers without any type of treatment. All the debris and pollutants that were picked up by storm water runoff end up in your lakes and streams!

Where Does the Pollution Come From?

Most contaminants are made up of common items used by residents, businesses, and visitors, such as fertilizers, car oils and greases, yard clippings, soil, and pet wastes. Below are some tips you can follow to help keep pollution from entering lakes and streams via storm water runoff.

Tips to Keep Your Rivers, Lakes and Streams Clean

• Never dump anything down a storm drain!
• Use an oil pan when changing oil to keep fluids off the pavement. Check local body shops and quick lubes to find a place to appropriately dispose of used oil.
• Bag pet waste and dispose of it in a trash can.
• Leave grass clippings on your lawn as an alternate nutrient to fertilizer. If a fertilizer is necessary, choose a slow-release product and test your soil to find out how much fertilizer your lawn actually needs.
• Wash your car on your lawn so excess water, chemicals, and dirt is filtered through the lawn.
• Keep household hazardous wastes, such as harsh cleaners, paint, car fluids, and batteries from entering lakes and streams by disposing at a household hazardous waste center. Try using environmentally-safe alternatives or recipes with non-hazardous ingredients.
• Use a broom rather than a hose to clean up grass clippings and dirt.
• Keep a trash bag in your car… and use it!
