**Upper Moreland Police
November 2025 Monthly Report**

The Upper Moreland Police Department responded to 1,717 calls for service in November 2025. The following Part-One Crimes were reported and investigated by the police department in November 2025, including:

- One Auto Theft
- 11 Assaults
- Six Burglaries
- 38 Thefts

The following Part-Two Crimes were reported and investigated by the police department in November 2025, including:

- One Forgery
- 14 Frauds
- Three Vandalisms
- Four Drug Offenses
- Eight DUIs
- Two Public Drunkenness
- Five Disorderly Conduct
- 16 All Other Crimes Code Violations

NOTABLE INVESTIGATIONS:

COMMERCIAL BURGLARIES:

In late October and early November, a series of burglaries occurred at the Carr & Duff facility on Byberry Road. During these incidents, individuals cut through a fence from the direction of Mason Mill Park to enter a secured storage yard. Once inside, subjects stole copper wire, tools, and other supplies, and on one occasion attempted to take a work truck. Members of the Criminal Investigation Division conducted a comprehensive review of surveillance footage from the business and surrounding properties. Through this effort, they linked the burglaries to a trespassing incident in Mason Mill Park, where a U-Haul van became stuck and required a tow truck to remove it. Using license plate recognition cameras in the area, officers identified the tow truck that responded to the park. Investigators contacted the tow truck operator, who provided information, including the phone number used to request the tow and dash-cam footage showing two of the individuals involved.

A search warrant was later executed with U-Haul, which supplied the rental information for the van. This led to the identification and interview of a suspect, who admitted involvement in the thefts. The suspect also consented to a forensic download of his cell phone to help identify additional individuals connected to the series of burglaries.

**Upper Moreland Police
November 2025 Monthly Report**

SEXUAL ASSAULT INVESTIGATION:

In May 2025, Members of the Criminal Investigation Division began investigating the sexual assault of a minor in the Hatboro section of Upper Moreland Township. The suspect, an adult male experiencing homelessness with prior convictions for sexual offenses, was identified early in the investigation and arrested in June 2025. As the case progressed, investigators learned of a second minor victim. A separate investigation was launched, during which the child was interviewed through Mission Kids, a child-advocacy center specializing in forensic interviews. Investigators also conducted a forensic download of the second victim's cell phone to gather additional evidence.

In November 2025, the investigative team presented the combined findings to the Montgomery County District Attorney's Office. Prosecutors approved charges, including Statutory Sexual Assault and related offenses. The suspect remains in custody at the Montgomery County Correctional Facility while awaiting trial on both cases.

FUGITIVE INVESTIGATION:

In July 2025, police responded to a parking complaint at the Willow Grove Shopping Center. While checking the vehicle involved, officers noticed an unsecured handgun inside. The firearm was safely recovered, and the individual connected to the vehicle was identified as someone prohibited from possessing a gun due to an active fugitive warrant out of Florida.

The case was assigned to members of the Criminal Investigation Division and adopted by the Montgomery County Gun Violence Reduction Task Force. The firearm was submitted for forensic testing, including entry into the National Integrated Ballistic Information Network (NIBIN). The results linked the gun to a 2023 shooting in Philadelphia of a 5-year-old child.

An arrest warrant was issued, and investigators repeatedly attempted to secure the suspect's voluntary surrender. When he refused to cooperate, a fugitive investigation was launched. This effort involved extensive collaboration between local investigators, the Montgomery County Detective Bureau, and the Pennsylvania State Police. With court authorization, the team tracked the suspect's cell phone, ultimately locating him at an apartment building in Center City, Philadelphia.

Search warrants were obtained for information and surveillance footage from the building. Investigators learned the suspect was fraudulently occupying two separate apartments. Pennsylvania State Police Special Emergency Response Team (SERT) executed simultaneous high-risk warrant services, locating the suspect inside one of the units. During the searches, investigators uncovered a large-scale mail theft and bank fraud operation. Hundreds of stolen pieces of mail, more than a million dollars in fraudulent bank withdrawal documents, blank checks, credit card blanks, and equipment used to manufacture fraudulent financial documents were recovered. A "ghost" AR-style pistol was also seized.

**Upper Moreland Police
November 2025 Monthly Report**

The investigation into the stolen mail, financial fraud, and recovered firearm remains ongoing and is now being handled jointly by the Pennsylvania State Police and the U.S. Postal Inspection Service.

Agenda Summary

Public Health & Safety Committee Meeting – February 9, 2026

Agenda Item:	Ordinance Amendment: No-Tractor Trailer Traffic
Prepared by:	Police Chief Scott Bendig
Attachments:	Memorandum
Background/Analysis:	Section 330-9 of the Township Code currently restricts the operation of tractors and trailers on designated streets. Following a comprehensive review by the Department's Traffic Safety Unit and an audit of applicable roadways, the Police Department recommends amending this section to improve clarity and enforcement. The proposed amendment would adopt the definition of "Commercial Motor Vehicle" as established in Title 75 of the Pennsylvania Motor Vehicle Code for purposes of this section, ensuring consistency with state law. In addition, the title of Section 330-9 would be amended to "No Truck Traffic" to reflect the restriction more accurately. The revised language would state that no commercial motor vehicles shall enter upon or be operated on the designated streets or portions thereof, and clarify that school buses, local deliveries, and emergency vehicles are not considered trucks or commercial motor vehicles for the purposes of this section. Finally, the list of streets subject to the restriction would be updated in accordance with the attached memo from Traffic Safety Officer Misner, ensuring that the designations reflect current roadway conditions and traffic safety needs. These changes will provide clearer guidance to motorists, align Township regulations with state definitions, and enhance enforcement of truck traffic restrictions.
Fiscal Impact/Source:	None
Alternatives:	Maintain the current ordinance.
Recommended Action:	The Board of Commissioners authorize the Township Solicitor to draft and advertise an amended Ordinance at the March 2, 2026 Regular Meeting.

UPPER MORELAND TOWNSHIP POLICE DEPARTMENT

MEMORANDUM

To:	Sgt. Cordura #44	Date:	11/18/2025
From:	Ofc. Misner #49 <i>[Signature]</i>	Case:	
Subject:	"No Trucks" Ordinance	Page:	1
Approved:	<i>[Signature]</i>	Total Pages:	2

A resident contacted the Traffic Safety Unit (TSU) in regards to adding a "No Trucks" sign on Karen Lane between Byberry Road and Davisville Road. Further investigation revealed that the current Upper Moreland Township Ordinance (330-9) only restricts **Pioneer Road between Davisville Road and Breyers Road and Memorial Park Drive** to truck traffic. However, there are "No Trucks" signs placed throughout the Township that are not included in the ordinance and are therefore unenforceable. The locations of these signs are as follows:

Allison Road	Madison Road	Pioneer Road (NB @ Byberry)	Hatboro Avenue
Center Avenue	Bartram Road	Short Lane	Sycamore Avenue (EB at Easton)
Cedar Avenue	Carlson Drive	Damian Drive	Linden Avenue
Summit Avenue	Dallas Road (WB @ Easton)	Howard Avenue	Willow Avenue (EB @ Easton)
Lincoln Avenue	Abbeyview Avenue	Corinthian Avenue	Broadway Avenue
Crown Street	Forrest Avenue	Newton Road	Parkside Avenue
Duffield Street	Huntingdon Road	Tanner Avenue	Fair Oaks Avenue
Warren Street (EB @ York)	Edgehill Road (NB @ Terwood)	Meyer Lane	Lynne Avenue
Lakevue Drive	Terwood Road (EB @ Edgehill)	Fitch Road	Robin Road
Mansfield Road	Lundy Lane	Chelsea Road	Mallard Road
Russell Road (NB @ Fitzwatertown)	Overlook Avenue (WB @ Edgehill)	Lavinia Place	Shoemaker Road (NB at Pioneer)
Andrea Drive	Frazier Road	Armour Road (EB @ York)	Castello Avenue
Barrett Road	Silver Avenue	Newington Drive	Skrobul Road
Cameron Road	Division Avenue	Orchard Way	Sheldon Road
Ellis Road (EB at Moreland)	Nash Avenue	Hampton Road	Elm Avenue
Gilpin Road	Church Street (between York and Moreland)	Lawnton Road	Masons Mill Road

UPPER MORELAND TOWNSHIP POLICE DEPARTMENT

MEMORANDUM

In addition to locating the signed areas that are not included in the ordinance, the TSU has identified roadways that should be both signed and included in the ordinance. Those locations are as follows:

Edward Road	Russell Road (between Fitzwatertown and Easton)	Morgan Mill Road	Centennial Road
Belmar Road	Spencer Road	Ball Road	Betz Road
James Road	Terrace Road	New Street	Lisayne Road
Norwyn Road	Ellis Road (WB/EB @ Easton)	Fern Avenue	Countrywood Lane
Home Road	Dallas Road (EB @ Moreland)	Everett Avenue	Pleasant Hill Road
Bright Road	Cherry Street	Fairhill Street	Karen Lane
Vesser Lane	Church Street (NB @ Easton)	Warren Street (WB @ York)	Hoffman Road
Carrell Lane	Quigley Avenue	Sampson Avenue	Silvestri Drive
Sycamore Avenue (WB @ Easton)	Manor House Road	Reed Street	Exton Road
Magnolia Avenue	Greenhill Road	Beechwood Avenue	Bryers Road
Armour Road (NB at Warminster)	Overlook Avenue (EB @ Davisville)	Colonial Road	Willow Brook Drive
Whitehall Drive	Greenwood Drive	Goodwin Road	Fairway Road
Woodhill Road	Greyhorse Road	Surrey Lane	

In order to further clarify what types of vehicles are restricted by “No Trucks” signs, the TSU believes that the Township should adopt the definition of “Commercial Motor Vehicle” established in Pennsylvania Title 75 – Section 1603: **any vehicle, or combination of vehicles, with an actual weight or gross vehicle weight rating (GVWR) in excess of 26,000 lbs. School busses will not be considered a truck or “Commercial Motor Vehicle” as it pertains to this section.**

The intention of this clarification and update is to restrict large truck traffic from cutting through residential neighborhoods – particularly those neighborhoods that are located between two or more State Highways. The identified roadways either allow on-street parking that prohibits the safe travel of large truck traffic, or present topographical and terrain features that are not conducive to large vehicles on the roadway. The majority of the township’s “no outlet” streets were not included in the recommendation where properly posted.

Agenda Summary

Public Health & Safety Committee Meeting – February 9, 2026

Agenda Item:	Ordinance Amendment Orangemans Road
Prepared by:	Police Chief Scott Bendig
Attachments:	N/A
Background/Analysis:	Section 330-22 of the Township Code currently restricts parking on a designated portion of Orangemans Road in front of Upper Moreland Middle School during arrival and dismissal hours to enhance student safety and maintain traffic flow. However, despite this restriction, vehicles continue to stop and stand in the no-parking zone during these critical times, undermining the ordinance's intent and posing ongoing safety risks to students and school personnel. To strengthen enforcement and improve compliance, the Police Department recommends amending Section 330-22 to remove the Orangemans Road restrictions in front of the school and amending Section 330-24.1, which governs stopping or standing restrictions during certain hours, to include the affected portion of Orangemans Road. This change will allow officers to take enforcement action against vehicles that stop or idle in the zone, closing the gap left by the current parking-only language. By aligning stopping and standing restrictions with existing prohibitions, the amendment will reinforce the safety perimeter around the school, reduce traffic congestion during peak hours, and ensure the ordinance better serves its purpose of protecting students and maintaining orderly traffic flow.
Fiscal Impact/Source:	None
Alternatives:	Maintain the current parking regulation.
Recommendation Action:	The Board of Commissioners authorize the Township Solicitor to draft and advertise an amended Ordinance at the March 2, 2026 Regular Meeting.
