- I. **Call to Order:** Commissioner and Committee Chair Nicholas O. Scull called the meeting to order.
- II. **Roll Call:** Commissioner and Committee Chair Scull, Commissioner Olszewski, Commissioner Jacobs. Mrs. Kollar, Director of Parks and Recreation. Also present: Patrick Stasio, Township Manager, and Sean Kilkenny, Township Solicitor.
- III. **Announcement** – Nothing to report.
- IV. **Presentation** – Nothing to report.
- V. **Public Comments – Non-Agenda Items Only** – Nothing to report.
- VI. **Approval of Minutes – October 20, 2025:**
The Committee unanimously approved the meeting minutes as submitted.
- VII. **Acceptance and approval of the following monthly reports:**
 - A. **Parks and Recreation Monthly Reports** – Mrs. Kollar reviewed the following:
 - Leave the Leaves has been initiated in several areas of the parks for habitat and over winterizing insects. Signs are posted throughout the Township and emails have been sent to residents explaining the plan.
 - Supported the Environmental Advisory Council with the removal of invasives at Veterans Memorial Park and Mill Creek Park.
 - Several maintenance crew staff attended pesticide application trainings in preparation to acquire certifications.
 - The administrative team developed a six-hole disc golf course at Fair Oaks Park, which was introduced to the public at the end of October. The course is a short three par disc golf course intended for new players, is intergenerational and has become very popular.
 - Broughton Park play structure is scheduled for replacement in Spring 2026 and a meeting with neighbors was held to discuss the equipment.
 - Youth Archery was held during September and October, and Meet Me At The Park Walk and Talk started in November and is ongoing at Masons Mill Park.
 - Habitat Heroes was held in October at Farmstead Park, which is a quarterly community event that takes place at a selected park.
 - Pumpkins On Parade was held at Masons Mill Park in October and was a success with thanks for contributions by the Parks and Recreation Advisory Committee, the Youth Key Club, the Fire Company and the Police Department.
 - Meetings to discuss play equipment and a pavilion building were held with potential contractors regarding Woodlawn Park. Qualifications are being reviewed in order to make recommendations in compliance with the budget. The timeline remains six to nine months; hoping to Bid during late winter, obtain award, and start work in Spring 2026.
 - B. **Library Board of Trustees Report** – Megan Friedman, Trustee, reviewed the following:
 - Study Pods have 186 bookings and there are 104 reservations for meeting rooms since October 1st, which can be booked up to a week in advance on the Library's website.

**Upper Moreland Township
Parks and Recreation Committee Meeting
November 24, 2025 - Meeting Minutes**

- Playdate In A Bag is available for checkout year-round, which includes copies of “In The Woods” by Elizabeth Spur and a camp-themed playset for preschool children.
- Playaway Launch Pads are preloaded tablets with educational games, no internet connection required and available for a range of age levels.
- The free family New Year’s Eve Fundraiser will be held December 31st, 3:30-5:30 p.m., includes a dance party, trivia, raffle baskets, additional activities, and a balloon drop at 5:30 p.m.
- Thanked Commissioners Charles Whiting, Cheryl Lockard and Nick Scull for their years of support. In their honor, books will be added to the Library’s collection that include “Behind The Badge” by Johnny Jones, “Positive Politics” by Neil Thanedar and “Who Is Government” by Michael Lewis.

RE: January 2026 Park and Recreation Report
Date: 2/4/26

The Department of Parks and Recreation includes four full-time administrative staff, six full-time maintenance workers, and numerous part-time instructors and seasonal employees. The Parks Division manages 19 parks and open space areas, as well as the Township and Library Building grounds, trails, and additional public spaces throughout Upper Moreland Township.

The Recreation Division offers inclusive programs and special events for residents of all ages and abilities. In partnership with community groups, we work to identify needs and trends, providing safe, affordable, and enriching recreational opportunities. This monthly report highlights key activities from the past month.

- Collaborated with community organizations regarding events to determine how UMPR can support (Farmstead Alliance – Farmstead on Tap, UMEAC – Invasive Removal at Mill Creek Park, Willow Grove Lion – Tree Lighting)
- Received annual contracted services quotes and create Purchase Orders for these services
- Coordinated staffing and divided duties for the several snow events this month
- Tracked progress on Parks Projects and updated grant information
- Replaced / repaired additional lighting fixtures at the basketball / volleyball court at Masons Mill Park
- Broughton Park – documented playground replacement progress / installed spring 2026
- Reinvented the field reservation process for community user groups and rolled that out in January. Streamlining the reservation process and calendar.
- Coordinated the 250th Semiquincentennial Celebration with the committee. May 2 and May 3, 2026 at Masons Mill Park. Divided up into 5 major events (Picnic, Concert, Drone Show, 5K and breakfast). Created promotional materials and sent out a 'save the date'.
- Congratulations to Spencer Cartier, Recreation Assistant, was awarded with a full scholarship for registration for the 2026 Pa Recreation and Parks Society Annual Conference.
- Congratulations to Jennifer Hartigan, Recreation Program Coordinator was selected and attended the PA Recreation and Parks Society Leadership Academy in December.

Departmental Projects:

1. **Woodlawn Park** –Continued to collaborate with Gilmore and Assoc. and Simone Collins for design and construction elements. Playground and Pavilion proposals

collected and we began the review process. Met with Simone to update cost estimates. Met with Gilmore and Simone to address parking / curbing issues. January, 2026 Update - \$63,000 DCED Grant was awarded to UMT for this project.

2. **PECO Power Line Trail** – Funding has been secured; coordinating with Bowman to get the permitting necessary to begin design. January, 2026 update - \$200,000 DCNR Non-Motorized Trail Grant was awarded to UMT for engineering fees.
3. **Veteran's Memorial Park (SEPTA)** – No update, however we did hear that the project is still being considered by SEPTA.
4. **Bonnet Lane** – park project is complete; payments have been submitted to Bowman for Grant reimbursement. Roadway utility poles still need to be removed.
5. **Farmstead Springhouse Restoration** – No significant progress yet on the foundation stabilization project. FA is currently meeting with a few contractors, seeking proposals, and will contract with one in March for April/May construction.

Committees:

1. **Shade Tree Committee** – Met on 1/13 – discussed the native planting brochure initiative and will present this at committee meeting on 2/9/26
2. **PRAC** – Met on 1/13 – discussed the native planting brochure initiative as well as Farmstead Alliance Event request and will present this at committee meeting on 2/9/26
3. **Montgomery County Senior Games** – Met on 1/21
4. **PA Recreation and Park Society – Membership Committee** – no meeting

Seasonal Employees:

Began the rehire process for seasonal maintenance and park attendants

Parks Maintenance (Joe Reilly, Parks Foreman):

Our Maintenance Team plays a vital role in ensuring that our facilities remain safe, functional, and welcoming for the community. Their responsibilities include inspecting stormwater basins, monitoring stormwater activity, and clearing waterways before and after rain events. The team is also actively engaged in ongoing parks projects and consistently responds promptly to resident/community maintenance requests and assignments. We held a staff meeting on 1/15 to discuss department goals.

January saw significant snowfall. Our crew was called in several times to clear emergency areas, sidewalks and make the roadways safe. Specifically 1/25 – 1/26 when our crew worked thirty straight hours. These six maintenance members worked

around the clock, tirelessly and selflessly to clear the pathways, emergency access areas and maintain the safety and walkability of our community. They are still removing snow and snowbanks two weeks after this storm.

Notable activities and accomplishments for UMPR Maintenance Team in October include:

- Masons Mill Park – critter control. We had a skunk family living under the office shed and we contracted with a trap/relocation company to remove them.
- Snow Removal and remediation in all township parks, public sidewalks and bus stops as well as the emergency access areas (police, fire, township building and library lots)
- Kept our salt inventory strong.
- Repaired machines as needed
- Cleaned trucks / machines daily

Maintenance Log:

1/8/2026	Resident states there are individuals using electric scooters, quads and other electric bikes in Broughton park and that has caused the grass to be ripped up and makes the park unusable to smaller children	
1/20/2026	Officer reported a tree down on the paved walking trail at Veteran's Park by Giant, where the trail splits at Green Willow Run.	1/30 Crew visited the site and moved from the trail and will remove shortly
1/22/2026	sidewalks at Woodlawn are snow covered and icy	1/22 - crews shoveled and salted
1/30/2026	Resident states the driveway near the park is used as a bus stop and that it is "a block of ice"	1/30 - crews shoveled and salted

Special Events (Jen Hartigan, Recreation Program Coordinator):

- Special event planning for Spring 2026 has begun! We are working with PERT to coordinate a Pennypack Creek Tributary cleanup for March, 2026. We have identified Veterans Park as UMT's site.
- Habitat Heros will be held on April 7th at Veteran's Memorial Park

- Upper Moreland's Semiquincentennial celebration will be on May 2 & 3, 2026. More information to follow.

Recreation (Jen Hartigan, Recreation Program Coordinator):

1. **Trips and Tickets:** Penn Cinema and Regal Movie ticket sales were popular throughout the month.
2. **Golden Age Club (128 members to date for 2026):** Executive board meeting held on 1/14/26; General meeting cancelled 1/27/26 due to Winter Storm Fern.
3. **Winter Programs:** Winter programs kicked off mid-January and are in full swing!

Highlights

-For the start of the Winter program season, we are excited to offer a full lineup of After-School programming – Drawing with Young Rembrandts, Minds in Motion STEM program, FREE 4th & 5th Grade Basketball and Color Guard Intramurals, Dramarama Theater program (grades 3-5) and Dramarama Jr Theater program (grades 1-2) along with our usual Adult Fitness lineup.

4. **Summer program** planning has begun for UMPR's Supervised Playground program, as well as Sports and Specialty camps. Coordinated with UMTSD to reserve space and accommodate their summer renovation projects. Began the re-hire process for summer program employees.

Leagues (Spencer Cartier, Recreation Assistant) :

Connected with Abington Women's Softball League and Keystone Softball League to negotiate league offerings.

Contacted our Pickleball league coordinator and drafted a contract for Spring pickleball leagues.

Agenda Summary

Parks and Recreation Committee Meeting – February 9, 2026

Agenda Item:	Shade Tree Committee Native Tree Information Initiative
Prepared by:	Katie Kollar, Director of Parks and Recreation
Attachments:	Native Tree Benefit Brochure ~ Draft
Background/Analysis:	The Upper Moreland Shade Tree Committee has developed a new initiative for 2026 focused on promoting the environmental benefits of native vegetation. The Committee seeks to collaborate with local landscaping, tree maintenance, and nursery businesses to help distribute educational materials to homeowners. This effort will coincide with expanded email communications to township residents. The initiative lines up with the UM Environmental Advisory Council and is intended to support local businesses while collectively educating homeowners and business owners about the value of native plants. Upper Moreland Township would provide participating businesses with informational materials for distribution to clients during vegetation removal, maintenance, or pruning services. The brochure associated with this initiative was presented to the Upper Moreland Parks and Recreation Advisory Council and was unanimously approved at the January PRAC meeting
Fiscal Impact/Source:	N/A
Alternatives:	Do not approve this initiative
Recommended Action:	Recommend the Committee move forward for full Board of Commissioners consideration at the March 2, 2026 Regular Meeting.

BENEFITS OF NATIVE TREES

Trees native to our area have many benefits. If you must remove a tree, be sure to replace it in order to receive some of these benefits:

Native trees around your house can reduce the temperature in summer, saving on cooling costs.

Native evergreen trees can help block the wind in winter, saving on heating bills.

Neighborhoods with plenty of trees tend to have better home maintenance and higher values.

People tend to get outside more, walk, and visit with each other in neighborhoods with many trees and tree lined streets.

Trees intercept and absorb rain water so flooding and erosion are reduced.

Trees help keep streams and drinking water clean.

Tree lined streets reduce the temperature of the streets, reduce car speeds, reduce auto accidents.

Businesses on tree lined streets have 12% higher income.

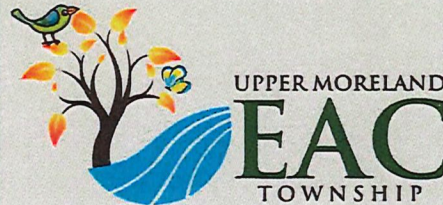

Trees reduce air pollution, including carbon dioxide.

Spending time in areas with trees, helps reduce blood pressure and improve psychological wellbeing.

Native trees provide nesting areas and food for birds and other wildlife.

Our native oak trees support more forms of life than any other tree group in North America.
