MEMORANDUM

TO: Matthew Candland, Manager
Upper Moreland Township

FROM: Anton Kuhner, P.E., PTOE
Chad Dixon, AICP, PP

DATE: January 7, 2022

SUBJECT: Transportation Impact Fee Adjustment

Based upon the current state law, which governs the enactment and administration of transportation impact fees, the Township may request its Transportation Impact Fee Advisory Committee to review the impact fee charges within the Township. The proposed transportation improvement costs may be recalculated based upon the construction cost index as published in the *American City/County Magazine* or the *Engineering News Record* magazine. Since your impact fee was adopted in July 2017, McMahon recommends that the Committee review the information below for consideration in recalculating the impact fee charge.

The current impact fee for Upper Moreland Township is \$1,904 per “new” weekday afternoon peak hour trip. Below is a chart indicating the prior and most recent Construction Cost Index (CCI) values as published by the *Engineering News Record* magazine.

	July 2017	December 2021
Construction Cost Index (CCI)	12,951	14,940

A comparison of the CCI’s identified above indicates that an increase in the index of 15.36% has occurred over the past 4.5 years. Applying this percent change to the existing impact fee established in 2017 would result in an increase of **\$292.45**, updating the Township’s transportation impact fee to **\$2,196.45 per “new” afternoon peak hour trip**.

McMahon recommends that the Township consider approving the updated transportation impact fee, based upon the construction cost indices of today, and calculating costs since the time of inception to implement your capital transportation improvements. If the Township decides to move forward, we can provide further information on the specific steps required to adopt the revised impact fee. If you have any questions, please do not hesitate to contact one of us.

To the Board of Commissioners,

The department is going to waive the percentage point totals for Captain Brian Drennen. We are doing this because Brian had to go out of town for a work commitment. With Brian being away he could not attend the Fire Company Training which dropped him to 21 attended training instead of being at a total of 24 or above.

Re: Fees

Our current fee for a tax certification is \$25.00, and the current fee for a tax duplicate is \$2.00. It is my understanding that these fees were established when Robert Walter was the treasurer/tax collector. As you know, Joseph Olszak was the treasurer/tax collector for the past twelve years and these fees have remained the same.

I checked with several of the surrounding jurisdictions and I found that they charge at least \$35.00 for a tax certification and \$5.00 for a tax duplicate. The money from these extra services provided by my office offsets the salary of staff and expenses related to normal business practices.

I am requesting that the proper legal processes move forward to allow me to increase our fees to \$35.00 for a tax certification and \$5.00 for a tax duplicate.

Thank you for your time and consideration in dealing with this matter.
