Declaration of Covenants

The parties to these covenants are the Commonwealth of Pennsylvania, acting by and through the Pennsylvania Historical and Museum Commission, (hereinafter referred to as the Commission), and the *Upper Moreland Township*, (hereinafter referred to as the *Township*).

The parties agree that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby declare that this instrument, entitled "Declaration of Covenants," shall be binding as between the parties and their respective successors and assigns and shall be recorded with a certain deed dated [Date of previous deed] from [Name of the previous Owner], Grantor, to the [Name of the Grant Recipient], recorded with the [County Name] Recorder of Deeds at Book [Number/Letter], Page [Number]. The [Short Name], its successors and assigns, covenants and agrees to assume responsibility for the maintenance, preservation, and administration of the property in satisfactory manner for a demonstrable public benefit for a period of fifteen (15) years from [Date Covenant is signed], the date of execution of this instrument.

The provisions of these covenants, hereinafter expressed as covenants running with the land, are herein set forth so as to ensure the maintenance and preservation of the architectural and historical characteristics of [Name or Address of Property], which has been determined eligible for listing or is listed in the National Register of Historic Places under the provision of the National Historic Preservation Act of 1966 (80 Stat. 915). Architectural and historical characteristics shall be defined as those significant physical features that qualified the property as eligible for the National Register of Historic Places.

The [Name or Address of Property] shall be maintained and preserved in accordance with the Secretary of the Interior's *Standards for the Treatment of Historic Properties*. No construction, alteration, rehabilitation, remodeling, demolition, site development, ground disturbance, or other action shall be undertaken or permitted to said property without the prior written permission from the Commission. Prior to the commencement of work, the [Short Name] agrees to notify, in writing, the Commission of all work on said property in its entirety that might affect the property's architectural or

historical characteristics. The Commission will be given thirty (30) days from receipt of the notice to review and approve in writing the appropriateness of said work.

For work that involves ground disturbance, the Commission may require archaeological investigation at the [Short Name]'s expense. In the event that archaeological materials are discovered during ground-disturbing activities, work shall temporarily cease, and the Commission shall be consulted for instructions prior to proceeding with the work. Any archaeological work shall be conducted in accordance with the Secretary of the Interior's *Standards and Guidelines for Archaeological Documentation* (48FR 447344-37) and any such standards and guidelines as the Commission may specify.

The [Short Name] shall allow the Commission, at all reasonable times and upon reasonable advance notice to the [Short Name], access to inspect said property to ensure compliance with this preservation covenant.

It is further agreed that the Commission in no way assumes any liability or obligation for maintaining, repairing or administering said property and the [Short Name] shall hold the Commonwealth harmless from and indemnify the Commonwealth against any and all claims, demands and actions based upon or arising out of any activities performed by the Commonwealth, Commission, its officials, employees and agents under this covenant and shall, at the request of the Commonwealth, defend any and all actions brought against the Commonwealth based upon any such claims or demands.

Failure of the Commission to exercise any rights or remedies granted under this covenant shall not be construed to be a waiver by the Commonwealth of its rights and remedies in regard to the event of default or any succeeding event of default.

The rights and remedies of the Commonwealth provided in this covenant shall not be exclusive and are in addition to any other rights and remedies provided by law or under this covenant.
