RE: July / August 2025 Park and Recreation Report  
Date: 9/4/25

The Department of Parks and Recreation includes four full-time administrative staff, six full-time maintenance workers, and numerous part-time instructors and seasonal employees. The Parks Division manages 19 parks and open space areas, as well as the Township and Library Building grounds, trails, and additional public spaces throughout Upper Moreland Township.

The Recreation Division offers inclusive programs and special events for residents of all ages and abilities. In partnership with community groups, we work to identify needs and trends, providing safe, affordable, and enriching recreational opportunities. This monthly report highlights key activities from the past month.

- Collaborated with community organizations regarding their event proposals and determined how UMPR can offer support (Farmstead Alliance – Farmstead on Tap, UM EAC, PERT, etc.)
- Toured parks and addressed issues with residents on a daily basis
- Collaborated with Keystone Softball to offer Men's/Coed leagues at Masons Mill; Spring season wrapped the week of 8/4, Fall season began the week of 8/18
- Collaborated with Abington Area Women's Softball to combine for a Friday night League; spring season wrapped the week of July 14; there is no Fall season
- Held our second Pickleball League at MM Park; spring league wrapped mid-June; summer league wrapped the last week of August; fall league to begin the week of 9/ (46 participants in the spring; 47 participants in the summer; 72 participants in the fall)
- Coordinated Park Clean ups with several volunteers (UM Key Club, NHS students; EAC)
- Began site lay-out and preparation for Pop Up Disc Golf course at Fair Oaks Park
- Tracked progress on Parks Projects and updated grant information
- Closed out the PEMA project at Surrey Lane / Lori Lane by satisfying maintenance requirements
- Created content for the UMPR for the UM bi-annual newsletter
- Collated community group field usage requests for the Fall and completed the permitting

#### **Departmental Projects:**

1. **Woodlawn Park** – Advertised Bids for MM synthetic turf project on 7/25, held a pre-bid meeting on 8/13; opened bids on 8/27
2. **PECO Power Line Trail** – Funding has been secured; coordinating with Bowman and DVRPC to hold a kick off meeting mid-September
3. **Veteran's Memorial Park (SEPTA)** – No update; sending continuous requests for updates
4. **Farmstead Spring House Restoration** – Advertised Bids for Springhouse Restoration project on 7/28, held a pre-bid meeting on 8/20; opened bids on 8/28
5. **Bonnet Lane** – Met with Bowman to schedule tree-pruning in preparation for new utility poles to be installed in proposed locations

**Committees:**

1. **Shade Tree Committee** – 2025 goal is community education and events; we did not meet in July; next meeting is 9/9
2. **PRAC** – our July parks tour meeting was canceled due to storms, no formal minutes were taken; next meeting is 9/9
3. **Montgomery County Senior Games** – no meetings in the summer
4. **PA Recreation and Park Society – Membership Committee** – no meetings in the summer

**Seasonal Employees:**

1. Summer Staff – We had a great crew this year who worked extremely hard to deliver the high quality and fun summer program that our residents have come to expect.
2. Park Attendants - We were fully staffed during the summer months, a few of our team members ended their seasonal assignments in August
3. Seasonal Maintenance – Onboarded eight additional seasonal full-time maintenance members; a few of our team members ended their seasonal assignments in August

**Parks Maintenance (Joe Reilly, Parks Foreman):**

Our Maintenance Team plays a vital role in ensuring that our facilities remain safe, functional, and welcoming for the community. Their responsibilities include inspecting stormwater basins, monitoring stormwater activity, and clearing waterways before and after rain events. The team is also actively engaged in ongoing parks projects and consistently responds promptly to resident/ community maintenance requests and assignments.

We onboarded a new employee during the month of July, Thomas Poppert. Tom comes to us from UM Public Works. Our crew welcomed and oriented him with P&R procedures.

In addition to vegetation management—such as mowing, weed control, and limb/tree trimming—our crew handles program preparation, sports field upkeep, general park readiness, trash collection, and vehicle maintenance and cleaning.

Notable activities and accomplishments for UMPR Maintenance Team in July/Aug include:

- Masons Mill Park – Resurrected the “book walk” around the trail; weed maintenance and mulching, ballfield maintenance, pond maintenance; flipped baseball outfield into football
- Pileggi Park – replaced the railroad ties around the play equipment; renovated the electrical shed on the back field; pruned trees lining walking path and reprogrammed the lighting system
- Terwood – had to reschedule tree removal / pruning for July (storms)
- Farmstead Park – Tended to the new plantings per maintenance plan; assisted in preparation of information for the Springhouse project; met with MCPC to tour the park on 7/15
- Veterans Park – regular maintenance; met with police force and parks team to determine action items to deter unhoused population from gathering in the park; erected new signage to outline the rules of the park; implemented daily clean up of the area and have been reporting any suspicious findings to UMPD.

- Fair Oaks – it was reported that an invasive vine was overtaking the basin, our team assessed the complaint and hand-pulled as much of this vine as possible; freeing the native vegetation; we coordinated with PERT to come do an inspection and it was determined that the basin is thriving; we will revisit a maintenance plan in the fall.

7/14/2025	The Pa Turnpike brush is overgrowing the fence along turnpike drive and into our ROW and on the corner	7/14/25- KK confirmed with Joe he will take a look, Joe confirmed he and his team will take care of it this week. 7/15 Joe and team confirmed job finished	7/15 - task complete
7/15/2025	2602 Horsham Road- Michael called to say there was a down tree branch on his fence from the park behind him	7/15/25- Joe confirmed completion	7/15 - JR spoke with resident while completing the request
7/17/2025	Mary called to let us know about a creek having a vine and weed problem near barett street/broughton park.	7/17/25 KK going to park to assess	7/21 - UMPR crew cleared out weeds and debris!
7/17/2025	Matt let Kate know the Basketball hoops at veterans park are in need of new nets.	7/17/2025 KK let Matt know there are safety concerns with the basketball court and she is working towards a safe solution to open the court back up	Court is closed
7/22/2025	Linda called to say the creek areas from Pennypack Vally Green Apts. Bridge on warminster road, downstream near turnpike bridge and norfolk southern trail bridge are blocked from down branches/logs.	7/23 Joe reviewed areas, Warminster rd bridge is currently clear, The Turnpike bridge is PennDots responsibility and Simone called 7/23 and they are investigating and taking care of it, will return a phone call with results, The bridge by Norfolk southern trail is their responsibility and Simone reached out and they will work on it and be in touch.	7/23- Called Lynda and let her know of the findings!
7/30/2025	Woodlawn - vine growing in the butterfly bush on park property	8/1 - UMPR team removed vine	8/1 - UMPR team acknowledged her in her back yard while performing work

8/5/2025	Fair Oaks - Resident stated after a tree was removed, yard waste was piled and left in the area - Another tree next to property has dead limbs, and is in need of trimming.	8/6 - UMPR removed brush	JR spoke with the resident while the request was being completed
8/11/2025	Resident states that fence is very rusty and looks like it is falling down/need work done. Would like someone to look at it and get back to her	8/11 - JR toured the area and, although the fence is rusty, it is not in need of replacement; it is still intact	
8/24/2025	MM Gazebo - 2 lights are problematic - 1 is out and the middle one flickers. The light that was out on 8/24/25 is the the light closest to the entrance that leads to the pond/Masons Mill Road	8/28/25 - Pete contacted UMPW electrician to assess; 3 of the 4 lights are working

## Agenda Summary Parks and Recreation Committee Meeting – September 22, 2025

<b>Agenda Item:</b>	<b>PECO Trail Engineering Project Update</b>
<b>Prepared by:</b>	Katie Kollar, Director of Parks and Recreation
<b>Attachments:</b>	N/A
<b>Background / Analysis:</b>	<p>Our traffic engineer submitted an updated quote for engineering services of the trail in the amount of \$644,000 (to include a PennDOT mandated archeological investigation).</p> <p>The PECO Powerline Trail Project has previously been approved by the Board of Commissioners and has secured funding as part of the recent bond issue. Upper Moreland Township was awarded a construction grant in the amount of \$2.45 Million (TASA – Transportation Alternatives Set Aside) for the construction of the PECO powerline trail from Blair Mill Road to Maryland Road at the Jamestown Village Apartments. I have confirmed that the project can be completed within the required grant deadline.</p>
<b>Fiscal Impact / Sources:</b>	Upper Moreland Township's financial responsibility for the project is \$644,000. The TASA grant does not require a match; however, all engineering is the responsibility of the Township. In addition, UMPR has submitted a DCNR C2P2 grant application for \$200,000, with award notifications expected in November.
<b>Alternatives:</b>	Do not complete the project
<b>Recommended Action:</b>	The Board of Commissioners previously approved this project. No recommended action at this time.

## 4th Annual Historical Haunts at the Farmstead

Saturday, October 25<sup>th</sup> from 3pm to 7pm at Farmstead Park

Purpose: To bring the community together with both history and paranormal at Farmstead Park

Timeline:

2pm Doors open for set up

3pm Vendors can start selling

5pm Ghost stories; lore and legends; guest speakers

6:30pm Self-guided tours in the haunted establishment

7pm Event concludes and clean up

Vendors will include mostly community nonprofits but also some authors and small local businesses. The purpose of this portion is to allow people to learn more about the different resources and businesses available in our area. If approved, we would love to welcome a rescue to the event to try to get animals adopted. Ghosts and poochies? Win-win. Everyone loves animals, and usually rescues bring a fresh crowd of people. People are also obsessed with ghosts, so put the two together, and we have a great opportunity to bring to life the Farmstead.

We have hired a police officer to be there from 4pm to 7pm when we expect the most traffic.

We are providing free light refreshments for those attending. Wawa is sponsoring it again this year. We will be purchasing some light refreshments and accepting donations from small businesses.

As in previous years, we will be putting up a few fire pits.

We have David DeBalko as the photographer.

We will need the following:

- Extra port-o-potty
- Anything left over from pumpkins on parade
- Trash cans and bags
- Between 6-8 picnic tables (there is one currently broken at the Farmstead)
- 4 tables that are not picnic tables

Last year we had over 150 people attend. I expect around 150-200 people.

Guest speakers:

- Actor and Author of *Weird Pennsylvania*, Matt Lake
- Linked Souls Paranormal
  - o Will be meeting with them at the Farmstead September 21<sup>st</sup> in the evening to do a reading prior to the event
